1. **How many in YahHead?.pdf** 7 pages **310 KB**  
Written by Troy Miller, with extensive formatting and some editing by Bernie Besherse, CJ.  
Judaism is one of the few, truly mono-theistic religions in the world. This is a very basic study of the scriptures that establish that YHWH is ONE.
2. **Has THE Messiah Come?.pdf** 7 pages **404 KB**  
Written by Troy Miller, with extensive formatting, some editing, and additional notes by Bernie Besherse, CJ.  
This covers a few of the requirements for the Hebrew Messiah, and shows how Jesus could not have been the Messiah, because his life, his accomplishments, and his death did not satisfy any of the known requirements for the Messiah.
3. **Problems with the NT.pdf** 29 pages **558 KB**  
Written by Paul Carlson, with comments inserted by Troy Miller, and extensive formatting, some editing, and additional notes by Bernie Besherse, CJ.  
One of the best analysis of the alleged genealogy of Jesus that I have seen. Also exposes and clarifies many of the other absolutely irrational allegations that are made in the New Testament that Christians are taught prove that their god is the Messiah promised in the Tanakh.
4. **The Jesus Forgery.pdf** 12 pages **237 KB**  
Written by DM Murdock (Acharya S), with extensive formatting, some editing, and additional notes by Bernie Besherse, CJ.  
This article exposes the ONLY contemporaneous writing alleged to be about Jesus, allegedly written by Flavius Josephus, as being a total forgery. Most likely by Father Eusabius.
5. **NT Disagrees With Itself.pdf** 8 pages **242 KB**  
Written by Troy Miller, with extensive formatting, some editing, and additional notes by Bernie Besherse, CJ.  
A list of 40, profoundly inexcusable internal conflicts in the N.T., itself.

6. **Mithra: The Pagan Christ.pdf** 16 pages [927 KB](#)  
Written by DM Murdock (Acharya S), with extensive formatting, some editing, and additional notes by Bernie Besherse, CJ.  
This is a 16 page article on many comparisons between Jesus and Mithra, Zoroaster, Indra, and other pagan gods. None of these characteristics are listed in the Tanakh as attributes of the Hebrew Messiah.
7. **382 false Messianic Prophecies.pdf** 58 pages [587 KB](#)  
Compiled and annotated by Bernie Besherse, CJ, using various lists that are found on Christian and Jewish web sites. For the curious, each alleged prophesy is completely debunked.
8. **Gentiles take hold of a Jewish Cloak** 2 pages [153 KB](#)  
A half-page article that was compiled by Bernie Besherse, for the purpose of showing that Karaites have a duty to educate themselves, because people who are seeking truth will be watching and following them.
9. **72 Jerusalem Jews translate Torah.pdf** 4 pages [222 KB](#)  
Compiled and annotated by Bernie Besherse, CJ, for the purpose of showing how the Septuagint version of the bible came into being, and why its errors were propagated into the modern versions of the bible.
10. **Can Jesus be a ransom for our souls.pdf** 5 pages [253 KB](#)  
Compiled and annotated by Bernie Besherse, CJ. Has actual quotes out of New Testament, claiming that Jesus is the ransom for our souls, and then goes to the Tanakh and examines who it is who really IS the ransom for our souls. Does Jesus qualify?
11. **For it is Written, - or IS it?.pdf** 30 pages [555 KB](#)  
Compiled and annotated by Bernie Besherse, CJ. 30 pages.  
This document answers the question “*Why do people who have been raised in the Christian faith reject Jesus once they have begun studying and understanding the Old Testament?*” The best examination and refutation of Christian theology is to go straight to their strongest claims, and examine the *exact text* and *complete context* of their citations of scripture in the Tanakh, and discover if the passage is a *historical statement*, or if it is really a *prophecy*, or if it is *pretext*. If we can determine that the cited passage *really is a prophecy*, then we must determine if it is really a *messianic prophecy*, and did Jesus fulfill it?

- 11a. **Yes, it IS Written (Re-Direct)** Letter Size 148 pages 1,883 KB  
Written by Bernie Besherse, CJ, in response to a criticism of #11 (in this list as 11b) by someone that I call “Danny.”  
The Court’s responses are inserted into the criticism in [red text] and sometimes in [square brackets] so you can keep continuity between Danny’s document and the Court’s re-direct. It is interesting to see how little evidence it takes for someone to believe something, and the extent that they will go to try to justify their belief to themselves, in the absence of supporting evidence, and in the face of strong evidence to the contrary.
- 11a. **Yes, it IS Written (Re-Direct)** Folio Size 118 pages 1,848 KB  
The same as 11a, but formatted for 8.5 x 13, Folio paper.

17. Torah is Forever.pdf 4 pages [275 KB](#)  
By Bernie Besherse, CJ, Beyt Din Hillel.  
Righteousness is a condition of being in obedience to Torah. The N.T. does its best to overturn the law of YHWH, but the pitiful attempts by man to overturn YHWH are so problematic that they are easy to explain and reject. In spite of the famous misinterpretation of Psalm 14:1 – 7 found in Romans 3:9 – 12, saying that there are no people on earth that are righteous, Luke 1: 5 – 6 and I John 2:29 provide proof that the Christian Religion was at war with itself, *even from the beginning*.

21. NT Contradictions.pdf 10 pages [194 KB](#)  
By Bernie E. Besherse, CJ.  
I would like the help of anyone who thinks that there is harmony between the Old and New Testaments, or even internal harmony inside of the New Testament, itself, to help me sort out these conflicts.

- 23. False Prophet Test.pdf 11 pages 650 KB**  
By Bernie E. Besherse, CJ.  
Subtitled: How to mislead the people for Fun and Prophet.  
This is a deep-study of scriptures that are sooooo far off base that it is difficult to imagine that the errors are accidental. Maybe you can find a way to reconcile them?

By: Melekh Ben-Yaaqov Formatted by: Bernie Besherse, CJ  
This is analysis of the scriptural authority of the Orthodox Rabbis.
- 25. Roman Tribute Coin 2 pages 270 KB**  
By Bernie E. Besherse, CJ.  
This is an article that I wrote while still retaining a bit of credibility in the New Testament, and is an analysis of the coin that Jesus allegedly told the Herodians to “*Render therefore unto Caesar that which is Caesar’s.*” It certainly does not mean what my church had told me that it means!!!
- 26. Romans 13 & 1 Peter 2:13-14 7 pages 295 KB**

This is an excellent, concise, clearly-written testimony by a professional printer from Lansing, Michigan, giving the evidence that it took for him to leave Christianity and follow YHWH and His Torah. Similar in some respects to #11, but Claude is MUCH more efficient with his words. 😊

**30. Forgiveness of sin in the Tanakh 8 pages 232 KB**

Compiled by Bernie E Besherse, CJ

When you can read the Tanakh with a clear head, without the “doctrinal overlay” of Christian thinking, you can find ample evidence that Grace and Forgiveness of Sin are Old Testament things, and decidedly NOT New Testament things. There *never* was a *need* for *anyone* to shed his blood for our sins, *even if such a thing were possible*.

**31. Does Christianity have Hebrew Roots? 38 pages 1,148 KB**

by Bernie E Besherse, CJ

An attempt is made to show how we may have a peaceful discussion, and a neutral **SEARCH FOR THE TRUTH**.

We offer guidelines for setting **GROUND RULES** and for setting **REASONABLE STANDARDS OF RESEARCH**.

We encourage both Christians *and* Jews to work together to make a list of **VALID PROPHECIES** regarding the Messiah.

We encourage both Christians *and* Jews to work together to make a list of **FUNDAMENTAL DOCTRINES OF CHRISTIANITY**.
